

Durabanner Wallcover

Durabanner Wallcover is a bright white, vinyl-coated top surface paper base subsurface that's designed for the Arizona® printer.

Uses

Specially designed for the Arizona printer, Durabanner Wallcover is a perfect choice for short-run digitally produced wallpaper such as store wall graphics. It offers consistent image quality and easy installation with ordinary wallpaper paste. Thanks to its non-wove reinforcement layer, Durabanner Wallcover is extremely resistant to ripping and tearing during application. It's also extremely resistant to shrinkage — a critical advantage when tiling print applications.

The QMLS difference

In today's fast-changing marketplace, we know how important it is to have a reliable source. Not just of products, but of knowledge and information. When you choose QMLS, you get someone who's as committed to the quality of your end product as you are. Someone who knows the options inside and out, and can help you choose the one that's best suited to your needs.

Size	Catalog #
54" x 75'	0490370
55.5" x 150'	0491370

Hanging Instructions: This material should be hung with a quality pre-mixed vinyl adhesive only. Follow directions carefully on package label. Do not use cellulose or wheat paste in any form. All excess paste is to be removed immediately with a clean sponge or damp cloth and clear water.

Wall Preparation: Remove all peeling paint or old wallcovering. Wall surfaces must be washed clean of old paste.. Do not use glue size if sizing is required. Use a solution of diluted vinyl adhesive or a vinyl prep.
