

Fisher Solvent Ink Jet Fabric

Fisher Solvent Ink Jet Fabrics provide a wealth of weight and finish choices to allow you to find the perfect match of our fabric to your application. These fabrics also perform well with UV curable printers.

SI 2420 Venice Satin

A 5.5 oz fabric with a smooth satin finish, Venice Satin is an appropriate choice for banners, signs, POP advertisements, and trade show exhibits. Its special coating produces excellent definition and depth of color.

Catalog #	Size
8242058	58"x90'

SI 2500 Dacron

2500 Dacron provides outstanding definition and depth of color in a 3.5 oz polyester fabric. It is extremely versatile and is widely used for flags and banners. Very fine thread weave.

Catalog #	Size
8250058	58"x90'

SI 8300 Hercules

With its thicker thread and textured appearance and optical white finish 8300 Hercules is a premier 6.5 oz coated fabric for banners, trade show exhibits, and convention center displays. The most opaque fabric we offer.

Catalog #	Size
8830058	58"x90'

SI 8800 Firesafe 2

8800 Firesafe 2 combines the advantages of a flame-retardant, textured, fine thread weave poplin with solvent-based printer suitability. It is appropriate for banners, trade show exhibits, and convention center displays.

Catalog #	Size
8880058	58"x90'
8880070	70"x90'

SI 4418 FR

For banners, signs, and trade show exhibits. Provides flame retardancy in a 6.5 oz polyester knit with a slight stretch.

Catalog #	Size
8441861	61"x90'
84418122	122"x150'

SI 6000 Duck

6000 Duck has a look similar to a man's oxford dress shirt. It can be used with confidence for banners, trade show exhibits, and many other applications requiring outdoor durability.

Catalog #	Size
8600058	58"x90'
8600070	70"x150'

SI 2360 Cotton Fabric

Cotton is noted for its versatility, appearance, performance and above all its natural look and comfort. Can be used for all types of applications, from retail, bags, and tapestries to tents.

Catalog #	Size
8236058	58"x150'

ES400 Lite Poly

A 4.5 oz polyester fabric recommended for eco-solvent printers. With a bright white base and thin, tightly woven thread this product can be used for indoor applications including banners, signs and trade show graphics.

Catalog #	Size
840058	58"x150'

SI 4436 Flag

This 11 mil thick fabric is widely used for flags and banners. Makes an excellent outdoor banner fabric.

Catalog #	Size
84436122	122"x90'
