

Artist Paper Matte 180

Artist Paper Matte 180 is a one-side coated matte special paper with a moulded canvas structure similar to fine art canvas. This product is an acid free raw canvas with an acid free inkjet receptive coating. There are no optical brighteners to cause yellowing.

Uses

Designed for high-resolution art reproduction, Artist Paper Matte 180 features a smooth canvas structure and a coated side that permits excellent sharpness, color, and special effects. It is smear and smudge resistant and compatible with pigmented and dye-based inks, as well as all waterbased ink jet printers.

The QMLS difference

When you choose QMLS, you get the convenience of three fully-stocked distribution centers in Connecticut, Ohio, and Florida — allowing for same-day shipping and next-day delivery on most orders. Plus a follow-up call for every order, telling you when your products shipped, by what method, and when you can expect delivery. If your products are ever backordered, we give you the option of choosing an alternative at no additional cost to you.
