

Cotton Canvas Matte

Cotton Canvas Matte is a 20 mil ink jet coated stretchable canvas with a matte surface finish. This product is an acid free raw canvas with an acid free inkjet receptive coating. There are no optical brighteners to cause yellowing.

Uses

Ideally suited to fine art reproduction and indoor banners, Cotton Canvas Matte features a special ink-receptive coating that makes the media water-resistant and protects the surface from cracking. This stretchable cotton fabric can be used with waterbased pigmented or dye inks and allows superior color gamut, saturation, and

Size	Catalog #
