

2 in 1 Coated Matte Bond Paper

2 in 1 Coated Matte Bond Paper is a premium quality, white opaque paper with a bright white ink jet coating.

Uses

A special surface ink jet coating that allows for high ink retention and fast drying lets 2 in 1 Coated Matte Bond Paper deliver photographic paper quality at a significantly reduced cost. Superior dot gain control allows for a wide color gamut with no curling or bleeding.

The QMLS difference

In today's fast-changing marketplace, we know how important it is to have a reliable source. Not just of products, but of knowledge and information. When you choose QMLS, you get someone who's as committed to the quality of your end product as you are. Someone who knows the options inside and out, and can help you choose the one that's best suited to your needs.
