

Budget Banner

Budget Banner is designed for short-term outdoor, and low cost indoor, tear resistant banners. This matte polypropylene product will produce outstanding images with all of today's most popular wide format thermal and piezo printers using pigment and dye based aqueous inks. Pigment based aqueous inks are recommended for outdoor applications.

Uses

Indoor/outdoor signage (posters, point of sale), presentations and exhibits, indoor/outdoor banners and posters. Features pigment and dye ink compatibility, biaxial tear resistance and a superior outdoor coating.

Finishing Recommendations:

This media is designed for indoor and outdoor applications. For prints remaining outdoors for more than three months, overlaminates with Instashield Matte or Instashield Lustre is recommended. Allow adequate dry times before overlaminating. No Material Safety data sheets are required with this product.

Size	Catalog #
36" x 100'	6736
42" x 100'	6742
50" x 100'	6750

Printer & Ink Compatibility
