

Gloss White Rigid Vinyl

Gloss White Rigid Vinyl is a 10 mil rigid, bright white, opaque vinyl with a permanent pressure sensitive adhesive.

Uses

Applied to the back of prints to add thickness and opacity, Gloss White Rigid Vinyl is perfect for rollable and long-lasting tradeshow graphics. Its permanent, aggressive adhesive resists tunneling and delaminating, and it's compatible with our ink-jet printable IJ Polycarbonate digital media.

The QMLS difference

When you choose QMLS, you get the convenience of three fully-stocked distribution centers in Connecticut, Ohio, and Florida — allowing for same-day shipping and next-day delivery on most orders. Plus a follow-up call for every order, telling you when your products shipped, by what method, and when you can expect delivery. If your products are ever backordered, we give you the option of choosing an alternative at no additional cost to you.
