

Instashield Wide Gloss Instashield Wide Matte

Instashield Wide Gloss and Instashield Wide Matte are economical vinyl films designed for super-wide 79" ink jet and photographic printing.

Uses

For tradeshow materials, POPs, and as a laminate for vinyl banners of short duration, Instashield Wide Gloss delivers high quality at an economical cost. Instashield Wide Matte eliminates reflections and provides a softening effect to color graphics — making it ideally suited for television backdrops and other high-glare applications.

The QMLS difference

Because we specialize in large-format, we can offer you one of the most comprehensive, top-quality product lists available. Even more important, we've amassed an unsurpassed knowledge-base about the products and how they work together. No matter what the application, you can rest assured that the paper, ink, adhesive, and laminating film you're using are the best possible match — not just for each other, but for the end product.

	Size	Catalog #
Gloss	79" x 164'	0480475
Matte	79" x 164'	0480075

Specifications	
<i>Film</i>	Vinyl
<i>Adhesive</i>	Permanent acrylic emulsion
<i>Liner</i>	Paper
