

Instashield Graffiti Free

Instashield Graffiti Free is a tough 1 mil Tedlar® overlamine with a scuff-resistant gloss surface.

Uses

Combined with Instashield Calendered Vinyl or Premium Cast Vinyl, Instashield Graffiti Free creates high-quality graphics that are durable enough to withstand abrasive cleansers. More economical than competing products, it also screens out ultraviolet light to extend graphic life.

The QMLS difference

Because we specialize in large-format, we can offer you one of the most comprehensive, top-quality product lists available. Even more important, we've amassed an unsurpassed knowledge-base about the products and how they work together. No matter what the application, you can rest assured that the paper, ink, adhesive, and laminating film you're using are the best possible match — not just for each other, but for the end product.
