

# Umбра Fine Art Paper

**Umбра is a smooth light resistant, 100% cotton, acid-free art paper in a warm white finish suited for fine art and photographic reproductions. Available in 240 gram medium and 320 gram heavy weights.**

## Uses:

Suitable for monochrome or color photographic art and fine art reproductions.

## Advantages:

Light resistance with pigmented inks: 55 years with no protection, 85 years behind a pane(with no UV filter). 100% cotton base, acid-free, with no optical brighteners. Natural white paper similar to traditional art paper. Water resistant, instant drying, excellent color rendering.

2417	17"x40'
2424	24"x40'
2436	36"x40'
2444	44"x40'

**Printing Tips:** Always use gloves when handling rolls. Always print on the outside of roll. To insure best print performance of this media, clean and calibrate cartridges before loading the paper. While loading the HP 5000/5500/6100 printer, only feed 6" of paper beyond print heads. This will prevent alignment errors and banding. For best results, print in 60° to 85° and 40% to 60% RH.

## PRINTER COMPATABILITY

Printer	Dye	UV
Epson Stylus Pro UltraChrome	X	X
HP Z2100/Z3100/Z6100	n/a	X
Canon W Pigmented Ink	n/a	X
Canon Image Prograf	X	X
Canon Pixma Pro Pigmented	n/a	X

**Storage:** New rolls - 50° to 86°F. 35 to 6570% RH. Open Rolls - cover rolls with plastic bag, use end cap if storing on end. Do not stack rolls. Allow material time to adapt to room conditions.
